

AWAY FROM YOU – Smile Back

E C#mi A E

1, It was a cold, cold life, few years ago, i didn't know why.

Everything seemed pointless, everything was grey,

I've been searching for the sign.

But then i found a love, then i found a peace,because i found you.

I could'n recognize myself, now i believe, it was the best i could do.

I was

R, Away from you, away from you, now i know, that all i want is to know the truth.

Away from you, away from you,and now i know, that all that counts is to be with you.

2, It's so obvious that I I can't believe I was so blind.

Love will last forever, so let's spread love, and we will all last forever.

Each time you give a smile, it's more than you would think,

it's more than words could say.

You don't have to cry, when there is something sad,

'cause he'll be here to stay. I was so,
