Sober

1, The sun goes down, as the moon starts to shine.
The night has come, and it all looks so fine.
I'm out with my friends to get drunk, do some dance,
and then get back home, get my ass back home,
but I swear to god, i can't remember a thing,
but I dont want be alone, don't make me be alone.

R. Be my girl, be my love, be my princess, be my wife,
baby, I promise next time I'll be sober,
I was drunk, I was dumb, I would understand if you'll say it's over,
please don't say it's over.

2, The moon goes down, as the sun starts to shine.
The day has come, but it's no longer fine.
It all felt so bad, with a stranger in a bed,
in an unknown flat, in and unknown flat.
but I swear to god, I didn't know, what I'm doing,
she's just a girl I've met, stupid girl I've met.

B. One stupid mistake, one night I don't remember,
one bad step, just one, but what a gamble,
I want you to stay, but if you'll say go, I will go.
The moon goes down, as the sun starts to shine, the day has come, but it's no longer so fine.

R. Next time I'll be sober and I would promise that, I'm sober 'til I'm dead.
